Local Couple Wed 64 Years Celebrate The Anniversary In Family Circle Tomorrow

"We've Been Quite Content,
Though Old fashioned,"
Says F. O. Nichols

Frederick O. Nichols and his wife, of 45 Olive street, will celebrate the 64th anniversary of their wedding tomorrow surrounded by their children and grandchildren. The latter had planned a party in honor of the extraordinary event and friends and relatives from various parts of Southern California were to have gathered here. But a slight indisposition that overtook Mr. Nichols early this week made it necessary to confine the celebration to the immediate family circle.

The Nichols were married in the hills of Connecticut where they were born, when he was 20 and the bride just six months younger. He had just returned from the battlefield after the surrender of General Robert E. Lee. Twenty-three years ago after having looked over the mountains and valleys of California they decided Sierra Madre was the ideal place in the whole land for a home. They agreed they have never regretted coming here and could never consider living anywhere else, though both confess the occasional journey back to the familiar scenes of their childhood are good for the soul.

"And then the joy of getting back here is so wonderful," Mr. Nichols explained on the occasion of his 84th birthday, which was celebrated at his home here on Tuesday, April 8, when a constant stream of townpeople filed into the Nichols' home to extend their good wishes.

"Nowadays, with divorce so common, you don't find many couples remaining together as long as we have," Mr. Nichols said on his birthday, "but we have been quite content, even though we may be considered a bit old fashioned."

The aged couple live by themselves in an ideal home surrounding overlooking the San Gabriel Valley. Mrs. Nichols bustles herself with her household duties and is an immaculate housekeeper. The bridegroom of the long ago finds time between caring for his avocado, orange, lemon and deciduous fruit trees and flowers to build odd pieces of furniture that really adorn their abode. But they are never lonesome, for both are yet very interesting and they have many visitors who help to keep them interested and forward looking.

Mr. and Mrs. Nichols have two children, both residing in Southern California. Mrs. Irving N. Ward, of East Grandview avenue, and Robert Nichols, of Los Angeles, and three granddaughters, Miss Beatrice Ward and Mrs. Jessie Ward Russell, of Sierra Madre, and Mrs. Marguerite Heidrich, of Los Angeles.

Work of Young Art Students Is Hung In Little Gallery

The long awaited showing of the work of local art students is now being hung in the Little Art Gallery in the city hall. The young artists represented range all the way from the seventh grade to college age. Their work shows much promise, in the opinion of local critics.

Sierra Madre students in the Pasadena Junior College whose work will be on exhibit are Jack Young, Ernestine Manning, Jean Key, Margaret Stovall and Ruth Wheeling. From the Woodrow Wilson Junior High are Sadie Sellers, Cynthia Hull, Blake Manning, June Daugherty, Ruth Lord, Ezekiel Gomez, Robert Lieben and Charlotte Butler.

Margaret Grienow, daughter of Mr. and Mrs. Fred Grienow of this city, will show some of the work she has done at the University of California at Los Angeles, where she is a student. This exhibit, which will be open to the public tomorrow, will hang in the gallery for the remainder of the summer. The fact that local art students are active enough to produce work of such character for an entire gallery is considered an artistic tribute to Sierra Madre.

Cloudy Weather to Continue; Cool too --Says Col. Hersey

"The present spell of cool weather, caused by high pressure areas off the coast, looks as though it might hang on until the middle of next week," declared Col. Hersey, looking speculatively out the window of the Sierra Madre weather bureau. "At all events, we will have cloudy mornings over the weekend. The temperature will continue to be moderate and there is no prospect of rain—absolutely none," added the Colonel.

Jack Paschall Is President of New B and L Association

Jack Paschall was elected President of the recently organized Sierra Madre Building and Loan Association, at its first meeting held Monday evening at the offices of the Association, 26 West Central.

The other incorporators were elected to the following offices: Lester K. Layton, vice-president; W. R. Humphries, secretary; and Henry Clay Reavis, assistant secretary. All of these men are directors together with H. E. Allen. The Sierra Madre Savings Bank was designated as depository.

Plans were perfected respecting the policy of the Association, the main object being the making of loans on improved real estate and the selling of investment certificates. These certificates will pay 6 per cent interest per annum payable quarterly. Installment certificates will be sold on the installment basis, making it possible for savers to put aside each month a definite amount of money.

It is the intention of the directors to complete the final arrangements for the launching of the Association.

Twinkling Stars Hold World Power

Kiwanis Club Hears Where
Pacific Coast Storms
Come From, Too

"Volcanoes, cyclonic disturbances and rainfall are all linked up if we go deeply enough into the facts of weather. The earth may be divided into twelve 'whorls', or zones, scattered about over the hemisphere, which determine all three, rainfall, volcanoes, cyclonic disturbances. Observers of the weather notice heavy rainfall is followed by the other two phenomena."

This is part of the content of an interesting speech made before the Tuesday Kiwanis luncheon by H. P. Gillette of San Marino, editor of the engineering magazine, "Rain Fall," and one-time professor of physics at Columbia University.

"Storms on the Pacific coast," he said, "are determined by the Alaskan circle 'whorl'. The 'whorls' themselves do not cause rain but throw off electrons which gather rain. The 'whorls' bear a striking resemblance to the craters visible on the moon and lead to the belief that the earth's crust, once hot, cooled into the present shape."

"Recent study shows that sunspots are caused by the electromagnetic force exerted upon the sun's surface by the large planets, Jupiter, Mercury and Venus. The action of these planets falls into regular cycles and influences even the growth of trees on the earth. Rings in California trees formed during sun-spot periods show that the trees actually grew faster than at other times."

ST. RITA'S STUDENTS PRESENT OPERETTA AS SCHOOL YEAR CLOSES

St. Rita's School honored its graduates in the final ceremony of the year before a crowd of about 300 people on Tuesday night. A two-act juvenile opera, "Molly Be Jolly," was remarkably well presented by students of the school. The cast was composed of Katherine Kohl, George Otto, Mary Bergien, Ruth Morago, Frances Mueller, Roger Armstrong, Sadie Kiggins, David Palmer, John Bridgeland, Yvonne Keegan, and John Colbert. All of the students in the cast were well-trained and the operetta was enthusiastically received by the audience.

The valedictory address was delivered by George Otto while the salutatorian of the class was David Palmer, who gave the "Address of Welcome." The Rev. Father Thomas Carter, C. P., gave the class an inspirational message.

PUBLIC INVITED TO BOY
SCOUT COURT OF HONOR

The public is cordially invited to attend the Boy Scout Court of Honor to be held next Friday evening, June 27, in the social hall of the Congregational Church. Arthur Evans, Court of Honor Catalina Island scout camp will second class badges will be given to members of both Troops One and Two and merit badges awarded.

Motion pictures of Camp Huntington and the Cherry Valley, Catalina Island, scout camp will be shown.

Pupils Say Farewell to Old School

Term Is Over and They Will
Meet Again in City's New
\$250,000 Building

Following a week given over wholly to the production of plays of their own composition and to other forms of instructive entertainment, the pupils of Sierra Madre's grade school will say good bye to the old building in Auburn avenue today, to meet again next September in the city's fine new \$250,000 structure that will go up on the same site. The picturesque buildings that were dedicated May 17, 1907, will pass into history without any formal ceremony marking their abandonment, or the closing of the school year.

"Safety First," a play written and presented by the pupils of the 6-A class, under the direction of Miss Mary Wheeler, was probably the most interesting and instructive of the series offered during the week. It was designed to point out the folly and dire consequences of carelessness responsible for forest fires.

Other student performances of note were a "Manners Play," given by the 6-B class under Miss Gladys Ballard; "Covered Wagon Play," 4-A, Mrs. Yorda Adams; "Health Play," 3-A and 4-B, Mrs. Eva D. Moore; "Posture Play," 5-A, Mrs. Layton Stanton; "Nature Study Play," 5-B, Miss Ruth Taylor.

The graduating class was given an informal luncheon in the cafeteria on Wednesday. Miss Mary Pfahler's harmonica class had a watermelon party in the cafeteria on the following day. Members of the graduating class under the supervision of Mrs. Mary Wheeler, yesterday paid a visit to the Altadena apary.

High Officers of Student Body Are Sierra Madreans

Sierra Madre is represented in the new list of Woodrow Wilson High School officers by Sadie Sellers, who becomes vice-president of the student body and by Carrie Hora, new student body secretary.

Commencement exercises took place last evening in the Woodrow Wilson auditorium, the main speaker being Dr. Walter G. Buckner of Pasadena, who spoke on "Laziness and Fear."

A number of students living in this city received Library Honor Reading Certificates, among them being Emmanuel Silberman, Michi Nomura, Mildred Newton and Wilma Morrow.

Merit honor graduates from Sierra Madre include Elbert Beaudoin, Rose Brown, Cynthia Hull, Gertrude Bandy, Lawrence Limbaugh, Wilma Morrow, Michi Nomura, Emanuel Silberman and Helen Young.

Independence Day Plans in Hands of Legion and Women

Sierra Madre's Independence Day celebration will be held under the auspices of the American Legion and the Woman's Auxiliary, with the Chamber of Commerce and other civic organizations co-operating. The exact extent of it will depend upon the result of a conference of committees representing the various organizations called for the purpose of agreeing upon a program.

The one sure number is a dance sponsored by the Auxiliary to be held in the City Park during the evening. A celebrated orchestra, the Moonlight Melody Boys, of which three Sierra Madreans are members, will furnish the music. Members of the Legion and Auxiliary will act as host and hostesses. It will inaugurate the series of summer night dances to be held on the waxed tennis courts.

Theme to Feature Commencement of Pasadena Juniors

A huge "Castle of Dreams" in the Rose Bowl will be the setting for the commencement exercises of the Pasadena Junior College this evening. Over 800 students will march into the great bowl at 7 P. M. to the strains of music furnished by students and heard by the public for the first time. The combined Pasadena Junior College and Muir Tech bands will play.

Two Sierra Madre students graduating from Pasadena Junior College whose names have not yet been announced are Anna Louise Green and Jane Holland. A unique gift—the presentation of the complete treasury to the school scholarship fund—is announced by the graduating classes of the Junior College.

Lots of 200 Tardy Citizens Cleared By City Workmen

With 200 lots already cleaned, the activities of the city are going forward briskly in the reduction of the fire hazard and it is anticipated that the remaining lots will be cleaned off within the next week or two. Thirty-five local men have been given work on this project. Costs of cleaning the lots will be charged on the next city tax bills.

A crew of ten under the direction of City Engineer Earl J. Lynde is constructing a 25-foot fire break just below the northern city limits extending for approximately one mile from Auburn avenue to the western boundary of the city.

No Politics At Meetings Of Veterans

Women of Whole San Gabriel
Valley Turn Out for Aux-
iliary Meet Here

Twenty-nine new members, sixteen of them from Sierra Madre unit, were initiated into the Woman's Auxiliary of the American Legion at the Eighteenth District meeting held in the Woman's Clubhouse on Monday night. The Maywood drill team assisted in the ceremony performed in the presence of three hundred people.

District Attorney Buron Fitts was originally scheduled to speak but was booked for the North and could not appear. Another speaker who appeared and began a partisan address was advised at the outset that this would not be permitted. Confessing that he was unprepared for any other sort of speech he was excused and departed.

The units present were Alhambra, Azusa, Baldwin Park, Claremont, Covina, El Monte, Glendora, Lincoln Park, La Verne, Monrovia, Pomona, Puente and Sierra Madre. Monrovia led with an attendance of 113 while Arcadia was second with 91. This city was represented by 45. Every unit reported on the sale of poppies on Poppy Day. Sierra Madre having sold a total of 447.

Keep Politics Out

President Blanche Buie of the local unit turned the gavel over to District President Gertrude Powell, who introduced Roy H. Pickett, commander of the Sierra Madre American Legion Post Number 297. Ralph W. Stewart, commander of the Eighteenth District of the Legion was then introduced and delivered a short address, stressing the non-political stand of the legion as outlined by State Commander Clarence Kincaid. He urged that the legion and auxiliary work together toward the securing of worthy ends such as compensation and welfare work.

The first president of Sierra Madre's auxiliary—the Mother of the unit—Mrs. Leila Roberts, was introduced and felicitated the organization. President Powell responded for the Auxiliary, and concurred in the wish that the two organizations proceed in an unbiased manner to positive and constructive action.

President Janet Snyder of the 17th District (the Los Angeles metropolitan district) was introduced and told of the seven new units organized there. Agnes Walker, head of the state championship 20th district, congratulated the local unit and declared it offers a fair example of the initiative which made it possible for California to win the Bell gavel in spite of the strong competition offered by Minnesota.

Offer Local Play

Vocal numbers were given by Mrs. May Barlow of this city, accompanied at the piano by Mrs. R. M. Finlayson.

A highly entertaining comedy, "The Employment Office," was offered by the Girl Reserves of St. Rita's. Allusions to local people made the play amusing. In the cast were Bernice Roe, Rose Kiggins, Helen Ranahan, Edith de Temple, Anniciata Schiltz, Mercedes Schiltz, Marjorie Bergien, Thelma Jaeger and Sadie Kiggins. Direction was by Mrs. Louise Roe, 1st Vice-President of the Auxiliary and Girl Reserves advisor.

The Glendora unit reported the voting of \$25 toward the eighteenth district scholarship fund and Publicity Chairman Farrand spoke of the effective work being done by the national organization. She urged local units to pay close attention to publicity and stressed the value of publicity in bringing any modern organization to the front. She also announced that during the month of July the Auxiliary would sponsor programs at the San Fernando Hospital and expressed the hope that the eighteenth district would make the most of the Sunday given to it.

Chess Fans Coming Here By Hundreds

Players of San Gabriel Valley
to Inaugurate An An-
nual Event

Chess fans from all parts of the San Gabriel Valley, Los Angeles, Pasadena and other Southern California cities will gather in Sierra Madre tomorrow afternoon and evening for the First Annual San Gabriel Valley Morphy Day Chess Carnival.

The festivities will start with team matches between the San Gabriel Valley cities and will attract much interest. A feature match will be that between Orange County, captained by E. P. Elliott of Fullerton, former Middle Western champion, and the Pasadena Chess Club, headed by Prof. H. Bateman, the new Pasadena champion.

One of the most noteworthy events of the carnival will be a blindfold exhibition to be given at 2 p. m. by Irving Spero, recent champion of Ohio. The honor of being one of the six players to contend with Spero in this unique contest will be much sought after by San Gabriel Valley players. One Sierra Madre player, K. B. Langworthy, will play against Spero in this feature.

Chief Sherwood, Chess Editor of the Los Angeles Times, will conduct a simultaneous play for women.

Novice and casual players will have an unusual opportunity to learn the game of chess in the special section for instruction to be in charge of Harry Borochow, popular Los Angeles expert. At 3 and 5:15 p. m. illustrated half-hour lectures on games of Paul Morphy will be given by experts.

George S. G. Patterson, champion of Los Angeles, will conduct 50 boards of a simultaneous for all comers from 7:30 to 11 p. m. A problem-solving contest in charge of Charles Broughton, otherwise known as "The Little Pawn," will begin at 8 p. m.

All who play are requested to record games and enter their best for the "brilliant prize," "Morphy Games," by Sergeant.

During the carnival, picnic meals may be eaten at the City Park, and coffee will be served those sending word in advance. Everything is free and the public is cordially invited to attend and make this event a real boost for Sierra Madre and for the San Gabriel Valley. Nearly 400 fans are expected here.

More Honors Won by Local Jr. Students

Thirteen Distinguish Them-
selves And Are Elected
To High Places

BY HAROLD KELITZ

Thirteen Sierra Madre students at Pasadena Junior College have distinguished themselves in many fields of activity during the past semester. Many of them return to the college in the fall to take over new positions to which they have been elected or appointed. Dan McNamara, recently elected to the office of chief justice, one of the highest positions at the college, was a member of the wrestling team and student photographer for the "Campus," the college year book.

Distinguishing himself in the journalistic field, Joseph Weiss has been successively sports editor and copy editor of the "Chronicle," college publication; editor of the Engineering Magazine; editor of the Tuesday Calendar, a four-page weekly and served as publications editor on the "Campus" staff. He was recently elected to Sigma Tau Epsilon, honorary journalistic fraternity.

Isabel Lyons and Betty Newton are others who have held positions on the "Chronicle." Miss Lyons held the position of news editor, while Miss Newton was business manager. Isabel was a winner in the Civitan Club essay contest.

The new secretary of athletics at the junior college is none other than Charlton Schwartz.

David Michener won the annual Harvard essay contest.

A 14th year graduate is Howard McBurney, who was president of his class the first semester. During the past semester Harold Keltz has worked on the Chronicle staff, Campus staff, Publicity bureau staff, school correspondent to the Sierra Madre News and was a member of the Bulldog band. He will be sports editor of the "Chronicle" next semester.

Don Blanke, Leo Ashkenas, Selwyn Myers and Leroy McBurney were members of the Bulldog band. Leo Ashkenas also served as student printer and makeup editor of the "Tuesday Calendar."

City's Great New Boulevard Will Answer Queries About The Growth of Sierra Madre

Priceless Assets of Community Will Be Seen When Public
Comes Through on New Thoroughfare—No Question
About The Outcome

By Mrs. John H. Robertson,
President Sierra Madre Woman's Club

One often hears the query: "What's the matter with Sierra Madre—why doesn't it grow faster?" The recent census report was a distinct shock to many.

There may be many answers, but the one that is uppermost in my mind, is the prevalent attitude of "laissez-faire," or letting things drift, in economist's parlance. Many Sierra Madreans are altogether too satisfied with our little city as it is, and the fact that it is different, so much so, that they are in danger of killing the life of their community by the very tendency to rut-living in smug complacency. They are satisfied to let many of the same conditions prevail today that were common when the town was in its infancy, forty years ago.

We must keep step with our neighboring communities and progress accordingly or we will be entirely out of the running, so as to speak.

Look at Monrovia and Arcadia census reports, forging ahead at a great pace—and why? The answer is, they are on great arteries of traffic which is real life blood to them.

Look at Altadena—a thriving city of beautiful residences.

Sierra Madre has exactly the same priceless assets. Altadena draws thousands once a year to her "Mile of Christmas Trees"; we drew 75,000 to our recent Wistaria Fete. Why the great difference between us?

Altadena is on the Foothill Boulevard. Thus we do not want to convert our little city of homes into a Los Angeles, even if it were possible, but by establishing a direct contact with Pasadena or Los Angeles by means of a scenic drive, following the line of the Pacific Electric through the Hastings' Ranch, our little city will receive a stimulus such as it has never known.

Many of us living in Sierra Madre learned during the recent Garden Tours sponsored by the Woman's Club that we did not know our Sierra Madre. If we who live here, do not know its beauties and possibilities, how can we expect visitors to Southern California, or even our neighboring communities to know us, if we were to continue our policy of isolation?

During the recent Wistaria Fete, officials of Pasadena remarked to me that they had never visited our Fete until this year (they came through personal invitation), and such close proximity for twenty years, because we seemed to be off to one side, and they never had taken the time or trouble.

Thousands of winter tourists do not know of Sierra Madre, until the Fete season, but if we were on a main and scenic highway, such as the proposed one would be, there is no question in my mind as to the outcome,—for instead of 75,000 visitors to the Fete, that number of visitors would be multiplied many times in the course of a year, resulting in many permanent residents.

During the past two years it has been my pleasure and privilege to contact many women's clubs and without exception, at each club I have met with many inquiries concerning our city; also lavish expression of love for and admiration of our community, its standard and attainments, only strengthening my belief that I am living in a very wonderful city. Personally, I never want to live elsewhere.

We do not need to sacrifice one bit of our community distinctiveness or individuality in opening up our city on the West, on the other hand, with a little conscious effort and wise planning, our native beauty may be accentuated.

May we join together in the program of opening our beautiful city to others who are looking for a home city, and bring new life blood to our city by contacting a main traffic artery?

Let us get out of our laissez-faire attitude and when the next census is taken we will be proud of our Sierra Madre and most agreeably surprised.

TENNIS CLUB PLANS ANNUAL TOURNAMENT

Local tennis fans will sit up and take notice when plans for the annual tennis tournament are disclosed at the meeting of the Sierra Madre Tennis Club scheduled June 23 at 8 o'clock, in the city hall. President Emile Smith wishes to have all interested in the July tournament on hand. Seeding of local players and other details of the tournament will be arranged.

Every year cups are offered by the club to winners of the men's singles, women's singles, men's doubles and mixed doubles. Last year's winners in these divisions were, respectively, Lewis Fuller, Sarah Schwartz, Preston Schwartz and Leslie Miller; and Sarah Schwartz and Preston Schwartz.

Competition this year will be more keen than last. A cup won by a competitor or team two years in succession becomes a permanent possession. So far in the history of the tournament two victories have not been rung up in a row and this year a new crop of players will be fighting to prevent the cups from passing into the permanent possession of any of last year's winners.

MOREY ELMORE IS DEAD

Friday The 13th Jinx Visits Sierra Madre

Here is what happened on Friday the thirteenth:

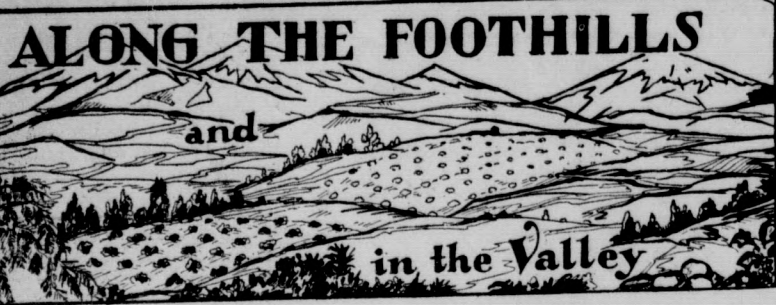

Miss Virginia Roess, daughter of F. L. C. Roess, and Miss Margaret Moote, daughter of F. D. R. Moote, narrowly escaped death when the car in which they were returning from Balboa Beach was struck broadside by a five-ton gravel truck and pushed into a telephone pole 50 feet distant. Their machine was almost completely demolished, but the occupants escaped with minor bruises.

Sophie Stamer, daughter of William Stamer, of Adams street was thrown to the ground in a collision with another girl at Wilson Junior Hi and sprained her wrist just a little while before her sister Louise tripped and fell at the same school, where both are pupils, and sprained her shoulder.

Al Wheelings visiting nephew in attempting to avoid a collision with another car on Double Drive smashed into a eucalyptus tree and the hardware man's motor is little more than junk. The nephew was unhurt.

years has been employed as caretaker at the Fred Hooker Jones residence. He was a native of New Hampshire and has a son, Harry Elmore, of Los Angeles, who is now visiting in Honolulu with his family.

The body was taken to Connel's Undertaking Parlor in Los Angeles. Following cremation, services will await the family's return.

The Monrovia Tennis Club has just elected W. W. Bacon, a rancher of Duarte, president.

Eight important streets in Glendora were ordered paved at the town Council's last meeting. Contracts will be awarded for 8,500 feet of new surface.

Property owners on Foothill boulevard in Upland are cooperating with the local officials in signing deeds which will give the city the necessary frontage for the widening of the thoroughfare.

To secure a reduction in fire insurance rates Arcadia's Council contemplates the establishment of an additional fire engine house at Baldwin and Duarte road.

Altadena's recent garden contest contributed so much to the city's appearance and was so successful from every other angle that at a meeting of the City Beautification League on Thursday it was decided to make the affair an annual event and to begin now in preparation for next year's show.

Monrovia's Council is carrying through a drastic economy campaign as a result of which H. S. Gierlich has resigned as City Engineer and will be carried on the payroll as consulting engineer. The resignation of Building Inspector M. L. Hutchinson and City Electrician Paul Jones were demanded. The positions will be consolidated July 1.

SNOW BANKS FLANK ROAD

Scenic Tioga Pass Road through the High Sierra Mountains from Owens Valley into Yosemite National Park will be officially opened for this year on June 21. This winding route, high in the Sierra, will be open for travel after the opening, although high snow banks still flank it in places where the road had to be cut through.

MAY AVOID TUNNEL

With grading of the Newhall Alternate State highway route just completed, contract for paving to a 30-foot width has just been awarded. The new location eliminates Saugus, Newhall and the Newhall Tunnel for through travel from and through the Ridge Route.

MOYER'S QUINTON GLAD TAKES RIBBON AT SHOW

Earl Moyer, Sierra Madre horticulturist and gladiolus authority, came away from last week's Southern California gladiolus show, at the Biltmore hotel, Los Angeles, with a red ribbon for one of his exhibits. His prize was for the second best spike of orange gladiolus shown. The variety is known as the Quinton.

On account of the cool weather here Mr. Moyer was not able to offer as many specimens as he usually enters. Last year his gladioli took down several ribbons and prizes. This week Mr. Moyers is managing the annual flower show of the Pacific Electric Club and has entries in various classes.

Once again the whole scientific world awaits the production by Prof. Albert Einstein of an equation or group of equations which will give a complete picture of all physical phenomena.

Reducers vs. Equalizers In Tax Fight

Nice Battle Over the Cost of Government Looms at State Capital

SACRAMENTO, Cal., June 20. (UP)—The tax burden in California doesn't need equalizing—it needs lessening.

That's the answer of the California Taxpayers' Association to farm and real estate interests of the State who have been busy lately devising plans so that property will have its tax reduced. A full broadside on the subject was fired by Dr. Milbank Johnson, leader of the Taxpayers' Association, when he recently addressed a group of realtors in a Los Angeles tax conference.

Blaming realtors for the heavy burden which property is carrying, Dr. Johnson told the gathering that expense of government, and local government in particular, must be reduced.

"The realtors have killed the goose that laid the golden egg," said Dr. Johnson. "They have promoted, aided, and encouraged in every possible, even fantastic, improvement of a public character that has been proposed, if there was a possibility that it would increase chances of sale of the particular piece of property in which some realtor was interested."

With the farm and real estate group attacking the problem from the viewpoint of equalizing taxes and another powerful group working for a lessening of governmental cost, it appears as though a good fight will be forthcoming in the next legislature.

At this time it appears certain that the farmers and realtors will ask for a personal income tax, a sales tax, severance tax, and other new forms of taxation from the lawmakers in January. Strong opposition to the intro-

duction of any of these taxes into the system will undoubtedly be voiced by the Taxpayers' Association and numerous newspapers of the State.

It's too early to predict results, but the battle of the "equalizers" versus the "reducers" will certainly bring out some interesting facts on cost of government.

LOCAL TEACHER MAKES WORKTIME PLAYTIME

A local teacher of piano and harmony who makes lessons enjoyable for beginners and advanced students alike is Frona V. Clarke, of 233 West Grandview. She has a modern method for beginners from five to eight years and will teach in groups or give private lessons. Miss Clarke has been teaching in Sierra Madre for over four years. She may be reached at Blue 169 every Friday.

Why... Exchange Growers Get Highest Citrus Returns

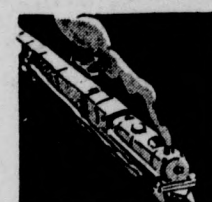

IT IS NOT hard to see why citrus growers who market their crops through the California Fruit Growers Exchange average the highest returns for their fruit, year after year. The Exchange gives them an advantage over other methods every step of the way. From orchard to consumer's table, the Exchange fruit has the "edge". Consider, one by one, the factors that influence returns:

1. **Quality of Fruit**—This, of course, depends mostly on the individual grower. But when he is in the Exchange, he can be assured that the best in pest-control, handling and packing methods are his to command. Fertilizers and orchard supplies at lowest possible prices are available through his cooperative supply company. No other marketing agency offers such complete service along these lines.

2. **Market Information**—Exchange representatives in every important citrus market in this country and abroad furnish daily reports to all Exchange shippers—covering all factors that influence sales and prices. Each Exchange shipper gets the sales results of every other Exchange shipper by bulletin each morning so can judge for himself the market trend. Other marketing agencies do not do this. Recent installation of teletype service between sales headquarters and the 23 District Exchanges has still further speeded and improved Sunkist market news service.

3. **Distribution and Sales Facilities**—Because it maintains 59 district sales offices, with its own experienced representatives in each, and because it handles 75% of the total California citrus crop,

the Exchange is best able to take instant advantage of every market situation for its members' benefit.

4. **Prestige**—After the fruit reaches market, the Exchange offers growers this vitally important asset: Exchange fruit enjoys a prestige with the public and trade that no other fruit even approaches.

And the public and trade willingly pay a premium for this greater dependability. Twenty-three years of continuous Sunkist advertising have helped to build this reputation—worth millions every year to Exchange growers.

5. **Operating Cost**—Because of the volume of fruit it handles, the Exchange has been able to reduce its unit selling costs lower than those of any other citrus sales agency.

6. **Who Gets the Profits**—Because the Exchange is strictly grower-owned and controlled, every cent over actual operating cost goes to the growers. No unnecessary profits or extra expense to pay. All services are rendered without profit.

Thus we see that from every angle Exchange growers are in the best position to get the most for their crops. And because that is exactly what happens, three out of every four California growers now market through this one great organization—and more are coming in every year.

Why not get these benefits yourself? For further information about the Exchange, talk to the manager of your nearest District Exchange or Exchange Association, or write now to Growers Service Bureau, California Fruit Growers Exchange, Box 530, Station "C", Los Angeles.

Oranges **Sunkist** Lemons
Grapefruit

WHAT THE EXCHANGE IS: The California Fruit Growers Exchange is a non-profit organization of more than 12,000 California citrus fruit growers, producing over 75% of the California citrus crop, operated by and for them on a cooperative basis. Its object is to develop the national and international market for California Oranges, Lemons and

Grapefruit, and to provide a marketing organization that will sell the fruit of its members most advantageously and at least expense. Receipts from sales, less only actual cost of operation, are returned to growers. Applications are received through all the Exchange's 210 local packing associations, 23 District Exchanges, or at the central office in Los Angeles.

A judge in Vancouver, Wash., believes that when a man and wife are divorced all property should be divided 50-50. He so ordered in a decree given Mrs. Annie Hinkelman, in which she was awarded an equal share of all the family possessions, even to half the milk from the family cow.

NIGHT FOR MERE MEN TO CLOSE SOCIAL SEASON AT WOMAN'S CLUB; ADMINISTRATION TO CHANGE

HONORING club husbands, next Tuesday night has been set aside for a social event to be given at the clubhouse at which bridge and 500 will be the evening's diversion. The affair, which is the last of the season, is in the nature of a family get-together.

Every club woman, with her husband or a gentleman friend, is cordially invited to attend. There is no admission charge. Prizes will be given and refreshments served.

Gay Numbers Add to Joy of Juniors Dance

The auditorium and stage of the clubhouse were a bower of beauty last Saturday night for the dance sponsored by the Junior organization of the Woman's club.

Masses of greenery and flowers under the touch of Mrs. Emile Smith, Junior president, converted the scene for dances, which began at 9 o'clock and continued until midnight, into a beautiful garden through which dream music of Dick Moder's orchestra invited guests to join in the evening's festivities.

Special numbers on the program included two spotlight dances presented by Miss Gertrude Bandy and Miss Marion Phillips. A ballroom dance, in charge of Mrs. G. Picard who entertained a party of 15, was also a special feature. The occasion, which was outstanding and best attended of the season's dances, was the incentive for many large parties attended by guests in groups.

Refreshments were served by Mrs. John H. Robertson, president of the club and Junior adviser. Proceeds of the dance will go towards the scholarship fund which is being established by the organization.

Drama Section's Best Meeting is a Picnic

The Drama Section of the club closed its season on Monday with a splendid flourish. Fifty-five members met under the pine trees in the inspiring Big Santa Anita Canyon, where they spread a generous picnic lunch on a gaily prepared table. The section was honored with the presence of Mrs. Frederick Allen of San Gabriel, district chairman of drama, also the president of the local club, Mrs. John H. Robertson, and president-elect Mrs. E. E. Bacon.

The section has set a very high standard this year bringing many noted and interesting personalities to its platform, but members agreed with their chairman, Mrs. J. Milton Steinberger, that the last meeting was its best. Two noted lights of the dramatic world were presented. Norval MacGregor, Sierra Madre's very own and a veteran of stage and screen whose sympathetic and forceful "Padre Junipero Serra" of the Mission Play many present so lovingly recalled, spoke first. Mr. MacGregor made a plea for the section's wholehearted support of the local Community Players, who are doing such fine work here. He also told of his hopes and ideals for them.

The chairman, in presenting the speaker of the day, William Stack, said she had introduced

many artist painters, actors and musicians but today she had to add to all these philosophers and preachers. Mr. Stack, who is one of the foremost of English speaking actors especially well known in London, New York and lately of Hollywood, spoke on the good taste in drama and gave what might be termed a Stack's advice to Little Theatre producers. His inspiring talk, charm of speech and manner won his audience completely. His plea for the universal demand for good English, registered many an individual resolution. He clearly explained that the only reason we have bad plays and bad pictures is that the public approves them.

The last meeting of the Book Review Section will be held next Tuesday at 2 P. M. in the garden of Mrs. John H. Osgood, 617 West Montecito avenue. Tea will be served.

Mrs. John H. Robertson, president, and Mrs. J. M. Campbell, Federation News secretary, attended the Federation extension meeting and luncheon at Los Angeles district headquarters on Thursday.

Mrs. A. A. Halsey, chairman, announces a meeting of the Garden Section for 1:30 P. M., next Wednesday, to continue plans for the Fall flower show and city beautiful campaign.

Installation of officers for the year 1930-31 will take place next Wednesday afternoon at 2:30, when reports of officers and chairmen of committees will also be heard.

Tea will follow the meeting, served by Mrs. Robertson, outgoing president in compliment to the incoming president and the new board. If the weather permits, tea will be served in the club garden.

Young Depositors March Thru City To Savings Bank

Marching two abreast and in companies, a large delegation of depositors of the Sierra Madre Savings Bank paraded from the city school at Highland and Auburn avenues to the Bank Building at Central avenue and Kersting court on Wednesday morning. It was a parade to put money into instead of "on" the bank, for it was "bank day" at the school and, steel school bank in one hand and pass book in the other, young Sierra Madre went forth for its annual lesson in thrift.

The Sierra Madre Savings Bank is sponsor for this savings plan. For the past five years, Mrs. Joy Butler, of the Los Angeles Scholl Savings Association, has made monthly visits to the school to assist in operation. The local bank supplies the banks to the students and pays regular interest rates on the deposits. The annual savings show an increase every year, according to President H. E. Allen, of the bank.

New Tariff Big Help To California

Economist Says This State
Is Greatest Beneficiary
Under New Rates

BY EDWARD A. ADAMS

(Editor's Note.—California is held to be the principal beneficiary of the new tariff law. The following article analyzing its effect upon the products and industry of the State was prepared by a student of political economy who is both a lawyer and agriculturist and in every way qualified to deal with the subject.)

The tariff act just signed by President Hoover contains scores of new and increased duties that will mean millions of dollars to

Another set of new rates, highly favorable to California, were added to the House bill by the Senate sub-committee on agricultural duties, stimulated by Senator Shortridge, whose member-

As a result of Senate changes, the California citrus fruit juice industry is thoroughly protected against foreign competition. Heretofore only orange juice was protected. The House added lime and lemon juice, and made the rate 70 cents per gallon. In the Senate Finance Committee Senator Shortridge pointed out that a large part of fruit juice shipments is in the form of concentrates, and caused the bill to be amended so as to apply to the quantity of natural juice represented by concentrates, as determined by chemical analysis. Thus a serious loophole is sealed against the foreign producer of this typically California product. Substantial relief for grape-growers and distilleries manufacturing high proof spirits in connection with wineries is obtained by a special proviso written into

the act by Senator Shortridge as a member of the Senate Finance Committee. Heretofore these distilleries, of which there are a comparatively large number in California, have been permitted to manufacture high proof spirits only for the fortification of wines. The new tariff especially permits these distilleries to withdraw spirits for use under the regulations for the manufacture of alcohol for other than beverage purposes such as for the production of brandied peaches and other products of like character and for use as industrial alcohol. The amendment has the approval of the Prohibition Commissioner. It will open up an important outlet for surplus wine grapes, thereby materially aiding the California agricultural interest which has suffered adversity during recent years.

After the First Twenty-five Thousand Miles

THE VALUE of sound design, good materials and careful craftsmanship is especially apparent in the new Ford after the first twenty-five thousand miles. Long, continuous service emphasizes its mechanical reliability and economy of operation and up-keep.

As you drive the Ford through many months and years you will develop an increasing pride in its appearance and a growing respect for the substantial worth that has been built into it. From every standpoint—in everything that goes to make a good automobile—you will know that you have made a far-seeing, satisfactory purchase.

Wherever you go, you hear enthusiastic praise of the car and this significant, oft-repeated phrase—"I'm glad I bought a Ford."

A FORD owner in New York tells of a 13,000-mile trip across the United States and back in sixty days and says "the car was extremely economical to operate, comfortable and speedy." A grateful father tells how the Triplex shatter-proof glass windshield saved his wife and children from serious injury.

To test tires, a large company drove a new Ford day and night, for an average of 500 miles every twenty-four hours. It was still giving satisfactory service after 105,000 miles.

A Ford car that had fallen into Fernan Lake was submerged for twelve days before being raised. After a new battery and carburetor bowl were installed, it was driven back to Spokane under its own power.

Many police departments have written of the special advantages of the Ford in crowded traffic because of its alert speed, acceleration, and ease of control. An increasing number of fleet owners are also purchasing the Ford because their cost figures have given conclusive proof of its economy of operation and up-keep.

In addition to important triumphs in Germany, France and Italy, the Ford won six out of seven leading places in a contest in Finland, first and second in the Rafaela races in Argentina, first and second in the

run from Copenhagen-to-Paris-to-Copenhagen, three gold medals in England, first ranking in the durability test over the tortuous Amancaes road in Peru, and first place in the 1930 reliability run conducted by the Royal Automobile Club of Sweden.

This contest was an exceptionally severe test of endurance and sturdy construction because it was held in the dead of winter and covered 600 miles of steady running over snow-covered country roads and mountainous hills.

Favorite Dishes of Sierra Madreans

RISP, tempting salads that look like bouquets and taste quite as good as they look are particularly desirable hot weather dishes. So if summertime is really salad time the favorite recipes of two Sierra Madre hostesses are timely.

A chicken salad prepared by Mrs. C. J. Pegler, wife of the City Treasurer, is as satisfying as it is delicious. Here is her method:

1 cup cold chicken cut in large bits,
2 hard boiled eggs, cut up
1/2 cup celery, cut up and dried in a towel
6 olives, cut up
1/2 cup mayonnaise (keep out one spoonful for top of salad)
Mix all lightly together and lay on crisp lettuce. Arrange the halves of six stoned olives on top and put white celery tops around the edges.

A "Carrot-Pineapple" salad jellied, is a favorite with Mrs. W. H. Wolfe, of 110 East Highland avenue. The method:

1 package orange flavored gelatine
1 cup boiling water
3/4 cup grated carrot
1 small can grated or crushed pineapple

1 tablespoon lemon juice.
Dissolve gelatine in boiling water. When cool add grated carrot and pineapple, together with pineapple juice and lemon juice. Pour into bowl or mold that has been rinsed in cold water and set in refrigerator to harden. When serving cut into squares and top with mayonnaise mixed with whipped cream. Little toasted crackers spread with cheese are a fine accompaniment.

Mrs. F. B. Pillsbury, of 26 East Highland avenue, sustained a painful injury last week when she fell at her home and fractured her left arm close to the shoulder. She was treated by Dr. Groth at the Sierra Madre hospital where an x-ray was taken. Considering her age and the shock of the fall she is resting as well as can be expected.

THE SIZE OF A STORE

The size of a store is not necessarily limited by the size of the town in which it is located. A recent survey disclosed some surprisingly big stores in very small towns, including the following:

Garver Brothers' store in Strasburg, O., 1,000 population, does an annual business of a million dollars. The Outlaw concern at Winner, S. D., 3,000 population, sells \$850,000 worth of goods a year. A department store at Lynden, Wash., with 1,250 people, does \$750,000 yearly. The B. & O. Cash Store at

Birthday Greetings

THE NEWS extends birthday greetings and its best wishes this week to the following Sierra Madreans:

Mrs. P. U. Lane - - - June 16
Hans Seifert - - - June 16
Mrs. H. J. Buckingham June 17

Tempe, Okla., with barely 1,000 does \$735,000 annually. Fred Mann's store at Devil's Lake, N. D., 1,300 population sells \$500,000 worth of merchandise a year.

How do they do it? They do it through the same business policies and methods that have won success for retailers in the largest cities of America. They keep good stocks, give their customers real service, and they advertise consistently, persistently and adequately in their local newspapers.

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE

NO. 298893

QUESTS of Mr. and Mrs. S. Patsel for Sunday dinner and at a picnic supper served in the garden under live oaks and sycamores were Mr. and Mrs. Mat Kile and daughter Gwendolyn, Mr. and Mrs. Vernon Kile and son Raymond, of Long Beach; Mr. and Mrs. Leo Stork and family, Aladena; Mr. and Mrs. G. J. Kostecky, Mrs. Frank Forester, Hollywood; Mr. and Mrs. Gus Spaniol, Lomita; Mrs. Cora Novak, Mrs. Grace Sexton and small daughter Evelyn, Iowa City, Iowa; Mrs. L. S. High, Leona High, Mrs. Alfred James Dewey, Jr., and Judge William R. Lasater of this city. Swimming and hiking were enjoyed by guests during the day.

Week-end guests of Miss Frances E. Grosby, of Long Beach, at her cottage "Wiscons-Inn" on Brookside Lane were Mr. and Mrs. J. C. Johnson, of Long Beach, Miss Burnadette Hamlin and Mi Anne Mortenon of San Diego.

Mr. and Mrs. Fred B. Luthy and children, of Los Angeles, have taken "Hillcroft" cottage on Brookside Lane for the summer.

Sunday dinner guests of Mr. and Mrs. Lester K. Layton, 560 Sturtevant drive, were Mr. Layton's aunt and uncle, Miss Belle Marsh and Wiley Marsh, of Chino.

Mr. and Mrs. G. M. Sutherland, of Long Beach, are guests for a month at the B. C. Maxwell cottage "Old Kentucky Home."

Honoring D. A. Hauk on Father's Day, Mr. and Mrs. Wallace Hauk, of South Pasadena, and Mr. and Mrs. L. Scalet, of Los Angeles, motored to Canyon Park on Sunday for their father, who was entertained with a delightful trip and picnic luncheon enroute. Mrs. D. A. Hauk is visiting her daughter, Mrs. Strook at Sacramento.

A. L. Phelps and E. O. Moody left early Tuesday morning for Running Springs in San Bernardino mountains where Mr. Moody is building his new cabin.

Mrs. Stella W. Weaver and her daughter, Miss Etha Weaver,

Gay Florodora Girl Comes to Florence

"The Florodora Girl" greets the public again in the picture of that name coming to the Fox Theatre, Pasadena, tomorrow, for a week's run.

In "The Florodora Girl" a group of melodies that made the stage play lastingly famous and a new song, "My Kind of Man," written by Herbert Stothart, Clifford Grey and Andy Rice, will be sung by Lawrence Gray.

The star of this production is Marion Davies. In support will be seen and heard Lawrence Gray, Walter Catlett, Louis John Bartels, Ika Chase, Vivian Oakland, Jed Prouty, Claude Allister, Sam Hardy and Nance O'Neil.

have returned from Brawley where Miss Weaver teaches piano work in the schools. They plan to spend the summer at their cottage "Days Off" on Brookside Lane.

Virginia James, ten year old visitor at the home of Mr. and Mrs. Fred B. Luthy on Sunday, fell more than one hundred feet while attempting a short cut over a steep embankment in the rear of "Idle-a-While," the Carl Miller cottage on Woodland drive.

Picked up by Frank Ronge, considerably stunned from the fall, she was rushed to the hospital of Dr. G. W. Groth on Baldwin avenue, where injuries proved not to be of a serious nature.

R. C. Snyder of Natrona Heights, Pennsylvania, left Tuesday night for the Eastern city after a few day's visit at the home of Mr. and Mrs. James C. Heasley on Oakdale drive. Mrs. Snyder, sister of Mr. Heasley, and son Roy will remain for the summer.

Mr. and Mrs. W. F. Straw of Long Beach, spent Monday and Tuesday at their cottage on Woodland Drive.

Mrs. Blanche White of Los Angeles, is spending two weeks at "Halycon Villa," cottage of Mrs. Sally M. Boaz on Brookside Lane.

Mrs. H. P. Welborn's Sunday school class of Trinity Baptist church in Long Beach was entertained by Mrs. F. E. Blackmun, a member of the class, at her Canyon Park cottage "Kot Kontent" on Tuesday. A picnic luncheon was served.

Big Feature Films To Thrill at Arcadia

Entertaining and unusual pictures have been billed by Miller and Camlin, new managers of the Theater Arcadia, for the week beginning June 21.

"Troopers Three," a special Tiffany production, is scheduled for the Arcadia tomorrow only. On the same program will be the second episode of "Voice from the Sky." Sunday and Monday, June 22 and 23, this theater will show William Powell in a picture that has attracted wide attention all over the country—"The Benson Murder Case."

Rod La Roche in "The Delightful Rogue," a fast-moving, thrilling feature, follows on Tuesday and Wednesday, June 24 and 25. Closing the current week on Thursday and Friday, June 26 and 27, will be "The Jazz Heaven."

ground" and now Jack Oakie in each performance Paramount sound news, talking comedies, cartoons and novelties. With Vitaphone as well as Movietone equipment, this local theater will offer its patrons the best that can be produced in sound.

"Happy Days" Picture a Gorgeous Spectacle

Walter Catlett was touring with a minstrel show when he was brought to the attention of N. L. Erlanger, who secured him to play the comedy lead in "The Pink Lady." With this start he played in "Madam Sherry," "The Prince of Pilsen," "The Red Mill," and "Lady Be Good."

Since singing with Fox Movietone, Catlett has appeared in a number of hits. In "Happy Days," which will open tonight at the Fox Strand Theatre, Pasadena, where it will remain for a week, he not only appears as one of the 100 featured entertainers but was also stage director of the production.

"Happy Days" is a prodigious spectacle of splendor and beauty

History-Making Film A Washington Release

The idol of millions of motion picture fans will be seen in a new picture when Buddy Rogers appears in "Young Eagles," scheduled for the Washington Theatre, Washington and Lake, Pasadena, on Sunday and Monday, June 22 and 23. In this picture, a remarkable story is linked with racy action and the result is real entertainment.

A picture which has made history in the short time it has been released is "Rio Rita," in which Bebe Daniels and John Boles take their place in the motion picture hall of fame. Full of song hits, romantic, glamorous, "Rio Rita" will draw crowds to the Washington during its short three-day run, Tuesday, Wednesday and Thursday, June 24, 25 and 26.

An outstanding double feature program is in store for Washington patrons on Friday and Saturday, June 27 and 28. The ever-popular dog star, Rin-Tin-Tin, will be shown in his new vehicle, "On the Border," a picture packed with thrills from beginning to end. The other half of the program will be "Hunting Tigers in India," an authentic look at the East done in full sound.

Mrs. M. J. Tobriner, of Palo Alto, was a week-end guest at the charming Spanish home of the Humphries on Scenic Point. Mrs. Challenger, of Los Angeles, spent the early part of the week under the same hospitable roof.

in which every Fox Movietone player enacts a role. Janet Gaynor, Charles Farrell, Will Rogers, Victor McLaglen, Edmund Lowe, El Brendel, William Collier, Sr., J. Harold Murray, Ann Pennington, James J. Corbett and Warner Baxter are some of the players who make this production notable. George Olsen and his music are prominent in the picture.

"Social Lion" Is Mary Brian's Latest Love

Mary Brian is the girl friend of Jack Oakie in that wise-cracking favorite's first starring picture, "The Social Lion," opening last night at the Fox Colorado Theatre, Pasadena for one week. Miss Brian loved Richard Arlen in "The Man I Love," Buddy Rogers in "River of Romance," and "Only the Brave," Frederick March in "The Marriage Play-ground" and now Jack Oakie in "The Social Lion."

"The Social Lion" is based upon Octavus Roy Cohen's popular story, "Marco Himself." Jack Oakie as the central character is such a great polo player that he thinks he can spread his prowess to the field of romance. He tries to make good with a ritzy society girl, but falls off his high horse in the attempt. The picture is chock full of chuckers and chuckles.

Fanchon and Marco are offering their "Sizzlin'" Idea as the stage presentation.

BIRTHDAY PARTY FOR LITTLE FLORETTA KEITH

Mrs. Boyd Keith entertained at a delightful birthday party on Wednesday for her little daughter, Floretta Adelaide. Games and stunts were enjoyed in the garden, and story telling amused the happy little folks.

Those invited were Jean Alice Brooks, Lois Wilson, Hildegard Needham, Barbara Needham, Francis Robertson, Bobby Evans, Allan Robertson, Roy Erle Warden and Frances Adams.

Lawn Fertilization

Luxuriant Lawns Are Well Fed Lawns

WE ASK a great deal of the tiny plants which must continue their existence under peculiarly difficult conditions. Lawn turf is made up of an infinite number of individual grass plants crowded closely together, permitting to no soil cultivation, withstanding wear and tear, and constant removal of their tops by cutting, making a constant drain upon the soil food.

Just as the success of the merchant depends upon his stock of goods and amount of sales, so does the success of the lawn depend primarily upon its supply and liberation of plant food. Crops are not made out of nothing. They are composed of ten different elements in just the same sense that our human bodies require water, lime, protein, carbohydrates, etc.

Sandy soil is quickly impoverished and if ignored it becomes apparent to every passer-by in terms of stunted growth and weed patches. On such soil entire dependence must be placed upon added plant food in organic form.

It is a mistake to spread weed-laden manures upon the surface of the ground exposed to the sun and air. The ammonia nitrogen escapes, the bacteria perish and the fiber merely mulches the surface.

The ideal lawn fertilizer is composed of an ample amount of slow acting organic nitrogen, for leaf, phosphoric, for root, enabling it to withstand drought, and multiplying its powers to feed, and potash, for vigor, with an inorganic quick starter.

SHOWER FOR JOSEPHINE LA LONE

MISS Josephine LaLone, whose engagement to Seth Van Winkle of Los Angeles, was recently announced, was the guest of honor at a miscellaneous surprise shower held in the parlors of the Congregational Church, Wednesday evening, June 18. The decorations were in pastel shades. In one corner of the room, a bride's cake with candles attracted the eye. Sixty guests assembled, bearing gifts of all descriptions for Miss LaLone. Because she is to marry a conductor, a miniature street car was wheeled in loaded with the gifts. Punch and delicious home made cookies were served. The hostesses of the evening were Mrs. William Adwell, Mrs. Rudolph Hartman, Mrs. Arthur Evans and Mrs. Roy Pickett. The evening was spent with games and music.

WOMEN OF BETH ISRAEL ENTERTAIN

As a crowning event to a brilliant series of afternoon affairs given throughout the year, a card party was held by the Ladies' Auxiliary of the Temple Beth Israel of Sierra Madre at the home of Mrs. A. Benjamin, 41 Perkins drive, Arcadia, recently. Twenty-eight women attended.

Proceeds of the party went to the Temple Talmud Torah fund. Officers of the organization extend their thanks to Mrs. Benjamin and to those who attended for their help in making the affair a success.

SHOWER FOR BRIDE-TO-BE

Miss Beulah Noble, daughter of Mrs. J. Hogan, of East Central avenue, was the recipient of a pleasant surprise which proved to be a miscellaneous shower last night, at the home of Mrs. Alice Tarwater, 41 South Baldwin avenue. Mrs. William Roe was the hostess. Miss Noble has been employed by the Sierra Madre Telephone Company for the past five years. Her engagement to Roy Davis, who is connected with the Monrovia Telephone Company, was announced some time ago. The wedding date has been set for June 26.

The house was beautifully decorated in pink and white. After an evening spent at cards a buffet luncheon of salad, sandwiches, ice cream and cake was enjoyed by the twenty-five guests.

MRS. F. H. JONES HAS BRIDGE LUNCHEON

Mrs. Fred Hooker Jones was hostess at a bridge luncheon at her home, 'Alberobello' on West Live Oak avenue, last week. The afternoon was spent with contract bridge. The following guests were present: Mrs. Frank Nichols, Mrs. J. H. Miles, Mrs. E. C. Dieter, Mrs. John Atkinson, Mrs. J. E. Carr, Mrs. Estelle Larned, Miss Margaret Dent of Los Angeles, Mrs. W. J. Hole, Mrs. W. Orcutt, Mrs. George W. Bailey and Mrs. W. L. Stewart of Pasadena.

AN AFTERNOON AT BRIDGE

Mrs. Carl A. Greese, of 549 West Montecito, entertained with bridge today, the guests including Mrs. Warren Preston, Mrs. Thomas Schwartz, Mrs. Arthur Evans, Mrs. William Adwell, Miss Jessie Dunning, Mrs. Rudolph Hartman and Mrs. D. Vandepool. The house was gaily decorated with gladioli.

LOCAL CITIZENS JOIN IN HOLY NAME PARADE

A large party of Sierra Madreans attended the Holy Name parade in Inglewood last Sunday, among them Mr. and Mrs. Ben Morago, Mr. and Mrs. Frank Bergien, Mr. and Mrs. Tony Delvecci, Mr. and Mrs. W. E. Craig, Mr. and Mrs. George Gerhard and their daughter Christina, Mr. and Mrs. J. E. Marcotte, Mr. and Mrs. Lewis Bartell and family of five children, Father Hyacinth Clarey, Charles B. Klunk, William Bradley, John Lorenzini, George Krier, Frank Turba, Joe Bergien, O. A. Bergien, and members of Boy Scout Troop No. 2.

Mr. and Mrs. Fred Hooker Jones spent the latter part of last week at their cabin in Horse Shoe Bend, in the San Bernardino Mountains.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming the habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderly at night. Next day bright. Get 24 for 25¢ today at the nearest Rexall Drug Store.

SUNDAY SCHOOL CLASS STAGES MOCK WEDDING

Mrs. Frank B. Butler of 145 Grove street was hostess last Saturday night, to ten young ladies who were members of the Sunday School class of the Baptist Church at 61st and Hoover Streets, Los Angeles, taught by Mrs. Elmer R. Thompson, of East Highland Avenue, this city.

After a dinner served by the hostess, the girls staged a well planned mock marriage ceremony. It being Flag Day, the house was decorated with paper festoon of red, white and blue and American flags and each girl was presented with a flag. The participants were dubbed unique names for the solemn occasion. The minister, Rev. Zek Picklebean; the maid or honor, Chucky Chestnut; the best man, Peppie Pepperseed; the bridesmaids, See Go Gull and Smoke Snodgrass; Usher, Josia Neverwork. The announcement of the wedding was as follows: Mr. Percy Prunes and Mrs. Daisy Mae Prunes announce the marriage of their daughter, Fannie Fishbone Prunes to Archibald Necker, etc. The girls were fittingly garbed for the occasion. The minister's whiskers being corn silk and the mustache of the groom painted on the upper lip with a French twirl. Mrs. Butler's daughter Charlotte was one of the bridesmaids.

Mrs. E. E. Bacon entertained 28 guests at a luncheon Wednesday, followed by an afternoon at bridge. The house was decorated with gladioli. Pastel shades carried out the color scheme at the luncheon tables.

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE

No. 302253
In the Superior Court of the State of California and for the County of Los Angeles.
IRENE D. PAYNE
Plaintiff,
—vs—
GEORGE M. BRONAUH, et al
Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the State of California, in and for the County of Los Angeles, on the 11th day of June, 1930, in the above entitled action, wherein the above named plaintiff obtained judgment and decree of foreclosure and sale against GEO. M. BRONAUH and ROSE A. BRONAUH, Defendants, on the 9th day of June, 1930, for the sum of Thirty Hundred Six dollars and three cents (\$3,006.30) gold coin of the United States, plus interest and costs, which said judgment and decree was on the 9th day of June, 1930, entered and recorded in Judgment Book 22, at Page 13 et seq. (to which judgment and decree reference is hereby made), I am commanded to sell at public auction all the following described premises, situate, lying and being in the City of Pasadena, County of Los Angeles, State of California, and bounded and described as follows, to-wit:

"That portion of Lot Two (2) in Block 'A' of Tract No. 875, in the County of Los Angeles, as per map recorded in Book 16, Pages 102 and 103 of Maps, in the office of the County Recorder of said County, described as follows:

Beginning at a point in the Easterly line of said Lot Two (2) distant South 9 degrees 14 minutes East thereon, 200 feet from the Northeast corner thereof; thence North 0 degrees 14 minutes West along said Easterly line, 50 feet; thence South 89 degrees 46 minutes West parallel with the Northerly line of said Lot Two (2), 110 feet, more or less, to a line which is parallel with and 110 feet Easterly, measured along said Northerly line from the Westerly line of said Lot Two (2); thence South 0 degrees 14 minutes East, parallel with said Westerly line, 50 feet, more or less, to a point which bears South 89 degrees 46 minutes East, parallel with the Northerly line of said Lot Two (2), from the point of beginning; thence North 89 degrees 46 minutes East parallel with said Northerly line, 110 feet, more or less, to the point of beginning.

PUBLIC NOTICE IS HEREBY GIVEN that on Tuesday, the 15th day of July, 1930, at 12 o'clock noon of that day in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment with interest and costs and expenses of sale, to the highest and best bidder for cash, gold coin of the United States.

Dated June 11, 1930.

What To Plant — What To Do

By Jessie Ward Russell

AVOCADOS AS A HEALTH FOOD

THE Avocado is called the "Aristocrat of Salad Fruits" because it is served as a great delicacy at fashionable hotels and homes. But it is more than that—it is a health food. It possesses unusual vitalizing and rejuvenating properties. It is especially valuable for people who are sick or who can not eat meat. The avocado is the most complete natural food in the vegetable kingdom. It has by analysis, 1.14 to 4.3 per cent protein, and from 12 to 35 per cent oil. Its fuel value will vary from 783 to 1,376 calories per pound, which is far in excess of the fuel value of lean meat. The high oil content makes it a natural internal lubricant.

WHEN READY TO EAT—

The flesh of the Avocado is in the best condition for eating when it has mellowed into the consistency of butter so that it can be easily spread on toast or crackers. This stage of ripening occurs at about one week to ten days after a properly matured fruit is picked from the tree. If it does not yield easily to the pressure of the thumb, it should be laid aside until it does.

If, after cutting an Avocado, it is found that the flesh is not yet ready to be eaten, do not throw it away, but put it aside and it will continue to ripen. I have found that I can hasten the ripening of an Avocado by wrapping it in paper and placing it in a warm room.

Some avocados become purple on ripening and others remain green. The color does not indicate the quality of the fruit. The form varies also, some being round, some oval, and some pear-shaped.

The Avocado Growers Ex-

change market their best grade avocados under the trade name "Calavo," which is a coined word taken from the words California and Avocado. You can always depend upon fruit stamped with the Calavo mark as being of the best quality.

(Editor's Note.—In the next installment of her series of articles on the avocado Mrs. Russell will give a number of suggestions for serving this wholesome fruit most advantageously, accompanied by simple recipes.)

NOTICE OF TRUSTEE'S SALE

NO. CR-1492

WHEREAS, C. C. KELLOGG AND MARIE DELICIA KELLOGG, husband and wife, by Deed of Trust, dated January 5, 1927, and recorded January 26, 1927, in Book 6812, Page 125 of Official Records in the office of the County Recorder of Los Angeles County, California, did grant and convey the property therein and hereinafter described to Title Insurance and Trust Company, a corporation, as Trustee, with power of sale, to secure, amongst other things, the payment of one promissory note for the sum of \$14,000.00, in favor of WEST COAST BOND AND MORTGAGE COMPANY, a corporation; and

WHEREAS, said Deed of Trust provides that should breach or default be made in payment of any obligation, covenant, promise or agreement therein mentioned, then the owner and holder of said note may declare all sums secured by said Deed of Trust immediately due and may require the Trustee to sell the property thereby granted; and

WHEREAS, default has been made in payment of said promissory note and a breach has been made in the obligations for which said Deed of Trust is a security in this, that the principal sum of said note, which became due on January 5, 1930, was not then paid, nor has any part thereof since been paid; and

WHEREAS, said WEST COAST BOND AND MORTGAGE COMPANY, on March 3, 1930, being then the owner and holder of said note and Deed of Trust, did elect to and did declare all sums secured by said Deed of Trust immediately due and payable and did demand that said Trustee sell the property granted thereby to accomplish the objects of the trust therein expressed, in accordance with the provisions therein set forth, and in conformity with Section 2924 of the Civil Code of California, did thereafter cause to be recorded on March 10, 1930, in Book 9731, Page 347 of Official Records, in the office of the County Recorder of Los Angeles County, California, a notice of said breach and default and of election to cause said Trustee to sell said property to satisfy said obligations.

NOW, THEREFORE, notice is hereby given that to satisfy the obligations so secured, and by virtue of the authority in it vested, the undersigned, as Trustee, will sell at public auction to the highest bidder, for cash (PAYABLE IN UNITED STATES GOLD COIN AT TIME OF SALE) on Tuesday, the 8th day of July, 1930, at eleven o'clock A. M., in the lobby of the main entrance of the Title Insurance Building, 433 South Spring Street, Los Angeles, California, all of the interest conveyed to it by said Deed of Trust, in and to all the following described property, or so much thereof as may be necessary, situate and being in the City of Sierra Madre, County of Los Angeles, State of California, to-wit:

Lot Twenty-eight (28) of Hawks Tract, as per map recorded in Book 11, Page 8 of Maps, in the office of the County Recorder of said County.

To pay the principal sum of said note, to-wit: \$14,000.00, with interest thereon at the rate of eight per cent per annum from October 5, 1929, compounded quarterly; advances, if any, under the terms of said Deed of Trust; expenses of said sale; and the costs, fees, charges and expenses of the Trustee and of the trusts created by said Deed of Trust.

Said sale will be made without covenant or warranty, express or implied, regarding title, possession or encumbrances.

INNOCULATUS—

In the spring time, young man's fancy lightly turns to thoughts of love and that two can live as cheaply as one, with all of heavenly bliss, thereby escaping all of the misery and loneliness of the bachelor. Several of our Sierra Madre bachelors have recently been inoculated with this idea. Just how long this inoculation will remain active, is difficult to prophesy and those who might shed a little light on the subject, enter into a conspiracy of silence. Fires Out.

Ruth Murphy and her mother, Mrs. A. B. Murphy, visited her sister, Mrs. Loreen Abbot, wife of Lieut. R. W. Abbot, in San Diego, Monday and Tuesday of this week.

Henry W. Berger, of 429 Mariposa street, is the possessor of two new saddle horses, one of which he will take with him on July 1 to Lake Elsinore.

Mr. and Mrs. C. L. Twycross and their sons, Randolph and Richard, with Miss Lucile Sparks, will leave today for a ten day sojourn to Sequoia National Park.

Austin Gibbs, of 194 Santa Anita Court, who has been ill, is recovering rapidly.

William J. Lawless is the owner of a new saddle horse which he has named "Palomino."

Mr. and Mrs. William Lauren Rhoades entertained Charles Hastings, of Los Angeles, at dinner Saturday evening.

Mrs. Edward Ward is improving from her recent illness, which has kept her at home for some time.

Mrs. A. A. Halsey entertained 16 guests at dinner, cafeteria style, at her home, at 306 East Alegria street, last Friday evening, in honor of her guest, Mrs. Mildred Thompson. Mrs. Thompson has just located here at 40 North Hermosa street.

Mrs. W. J. Schiltz, Mrs. W. E. Craig, Mrs. Tony Delvecchi, and Mrs. W. J. Ropp, all of this city, attended a card party in Alhambra last Friday. Mrs. Schiltz brought home an electric cooker, winning first prize in a field of 300 players. A playlet, "Cave-man Stuff," was a feature of the party. Box lunches were served to the players.

S. R. G. Twycross received a clipping from the Kennebec Journal of Augusta, Maine, about a birthday party given in honor of his sister's 85th birthday. Her name is Miss Lillie Twycross. A feature of the incidental dinner was a large birthday cake decorated with candles. Her sister and a cousin were the only relatives present.

Dr. Marie A. Everett, of 153 Santa Anita Court, has as a house guest, Mrs. Mable N. Jones and son Paul, who arrived last week from Detroit, Mich., and will remain here for an indefinite period. They motored across the country via the southern route, visiting the Carlsbad Cave at Carlsbad, New Mexico.

Mrs. Lee Shippey, who was in an auto accident three weeks ago in Pasadena, is recovering slowly from bruises received at that time. She was confined to her bed for a week following the misfortune. Her left arm was badly sprained, two tendons were cut, and the elbow crushed. Mrs. Francis Eakman, who was in the car with Mrs. Shippey, suffered a shattered middle finger, which the physician says she cannot use for six months.

Mr. and Mrs. Francis Eakman will be guests of Lillian Stevens, Long Beach Executive of the Camp Fire Girls, at their summer training camp in the mountains, at Wrightwood, Calif. The Camp Fire Girls are putting on one of Mrs. Eakman's plays, entitled, "Ooh-A Ghost!" Bill Hart, movie star, will be one of the guests.

Arcadia Must Act On Central Ave. In A Week

Sierra Madre's Council went in a body to a meeting of Arcadia's Council Wednesday night to remind it that unless the Arcadians take action on or before June 30, the sum of \$4,700 allocated to Arcadia by the county for the opening of Central avenue through Arcadia will revert to the general fund. If this should happen, Central avenue and the great new boulevard that will soon take its place, will continue to end at Santa Anita (Double) drive, though obviously the County Supervisors wished that it should extend on through. The Arcadians, however, have three plans of their own for thoroughfares through the Baldwin ranch. They postponed action on an ordinance of intention in the Central avenue matter, though they have only another week to think it over.

PERMANENT WAVES MAY BE HAD AT A SAVING NOW

The ladies of Sierra Madre will have the opportunity for the next two weeks of having a combination croquignole and ringlette wave at the Wistaria Beauty shop for \$7.00, a saving of \$1.50 from the usual price of \$8.50, with the marvelous new Combo Permanent Waving Machine, the hair is rolled from the ends to the scalp, giving perfect ringlet ends and insuring complete satisfaction. The price of \$7.00 includes a shampoo and finger wave.

Mr. and Mrs. S. Barnidge of 37 Auburn Avenue, have as their guests Mr. and Mrs. John F. Barnidge, of San Francisco, who have been recently married and this visit is in the nature of their honeymoon.

NOTICE TO CONTRACTORS

Notice is hereby given that the Board of Trustees of the Sierra Madre City School District will receive sealed bids for the furnishing of all materials and labor, and for the erection and completion of Heating and Ventilating Plant for Auditorium, Cafeteria Equipment, and Seats for Auditorium, all for the new Sierra Madre Grade School, to be located on Highland Avenue, between Hermosa and Auburn Streets, City of Sierra Madre, California, in accordance with the plans and specifications of MARSH, SMITH & POWELL, ARCHITECTS, 516 Architects Building, Los Angeles, California.

Separate bids are requested for the following listed contemplated contracts:

1. Heating and Ventilating.
2. Cafeteria Equipment.
3. Seats for Auditorium.

Plans may be had at the Architects' office, 516 Architects Building, Los Angeles. A deposit of \$25.00 will be required on the Heating and Ventilating Contract, and \$15.00 on each of the other Contracts for taking out the plans and specifications, and which will be refunded on the return of same.

Contractors contemplating submitting bids on "Seats for Auditorium" shall, on or before June 20, 1930, deliver to the office of the Present Sierra Madre Grade School, a sample of seats they propose to furnish.

Each bid shall be made on form furnished by the Architects; and shall be accompanied by a Cashier's or Certified Check for an amount not less than 5 per cent of the highest amount of bid, made payable to the Sierra Madre City School District, as an evidence of good faith and as a guarantee that if awarded the contract the Contractor will furnish the required bonds and

enter into contract with said District. Refusal to enter into contract will call for forfeiture of the check.

Bids to be in the hands of the Board of Trustees of the Sierra Madre City School District at their office in the present Grade School Building on Highland Avenue, Sierra Madre, California, on or before 7:30 P. M., Monday, June 30, 1930, and will be opened in public immediately thereafter.

The successful bidders will be required to furnish satisfactory surety bonds as follows: 50 per cent statutory bond for labor and materials, and 25 per cent for faithful performance; said bonds to be attached and become a part of the contract.

The Board of Trustees reserves the right to reject any and all bids and to waive any informality in any bids received.

By order of the Board of Trustees of the Sierra Madre City School District, Los Angeles County, California.

J. O. SMITH,
President Board of Trustees.

Attest:
MRS. CECILY A. ALLEN,
Clerk Board of Trustees,
June 9, 1930.
